ABOUT ME

B.Sc. Computer Science graduate with a strong interest in programming and problem-solving. Highly motivated and adaptable, with experience in high-responsibility environments and a proven ability to learn independently. A team-oriented individual seeking a junior role to apply technical skills, gain hands-on experience, and grow professionally.

EDUCATION

B.Sc. Computer Science

The Academic College of Tel-Aviv-Yaffo
2021-2025 (I recently finished)

WORK EXPERIENCE

- **Bank Hapoalim** 2020-2021, 2025- today
Private Banking Representative – Digital Branch
 - Managed end-to-end banking operations, including credit processes and foreign currency transactions, while handling sensitive financial data.
 - Worked in a regulated, fast-paced digital environment requiring accuracy, compliance, and independent decision-making.
 - Promoted based on performance, reliability, and ability to manage complex workflows.
- **Army** 2018-2020
Stenographer in the Chief of Staff's Office

I recorded, transcribed, and edited meetings of the Chief of Staff and Deputy Chief of Staff.

During my military service, I was exposed to classified information and worked closely with senior military officials. Additionally, I was responsible for managing the telecommunication systems for both the Chief of Staff and the Deputy Chief of Staff
